Conference at a Glance

Wednesday, October 4, 2006

Golf Outing

Enjoy 9 or 18 holes of golf with your fellow IT professionals. 18-hole tee times start at 9:30. 9-hole tee times start at 12:00. Feel free to play either. Only the 9 holes will count for prizes. Please complete the enclosed form and return it to the person shown.

Vendor Hardware/Software Show

Your opportunity to meet and discuss current technology with a wide variety of vendors performing services in governmental setting. You may visit at your convenience.

Dinner

Join your fellow GIPAW members and vendors for a delightful dinner. Greg Risberg will be the featured dinner speaker. Greg is a professional speaker who has addressed over a half-million people in the past 20 years. He is known for his "Humor with a Message". He is a Certified Speaking Professional, of which there are only 375 in the entire country.

Thursday, October 5, 2006

“Email Archiving”

Hear about the latest in email archiving from a leader in the industry.

“Keeping Up Morale in Times of Stress and Lean Budgets”

Learn to excel in your career without allowing stress to impact you and others around you. How not to let your stresses and frustrations flow down to your subordinates.

“Lunch”

Lunch will be in the lobby. Following lunch there will be a business meeting including election of new directors. The balance of this time period may be spent in the vendor area.

“Unified Threat Management”

What is it? Why do you need it? How it helps protect your network against blended threats. How it helps reduce administration and costs.

“Municipal Wireless Mesh Networks”

What are they? How do they work? Costs? Benefits?

Thursday, October 5, 2006(continued)

“Breakout Discussion Groups”

- Session #1- **Document Management – Workflow / Agenda Automation**
Presented by: **Civic Systems**
- Session #2- **Copier Solutions**
Presented by: **Advantage Office Solutions**
- Session #3- **MS 2007 Announcements**
Presented by: **Berbee**
- Session #4- **Network Access Control**
Presented by: **Delta Communications**
- Session #5- **Latest Trends in Computer Security**
Presented by: **Lenovo Public Sector**

Friday, October 6, 2006

“Cyber Crime Update”

A representative from the FBI’s Milwaukee Bureau will be here to provide us with a report on cyber crime- what is it, how prevalent is it, and what can we do to protect our environments from it. The speaker is undetermined at this point since their normal cyber crime expert has been promoted to Washington, D.C.

“State of Wisconsin Updates”

Topics will include:

BadgerNet Converged Network Wrap-Up
SVRS: State-Wide Voter Registration Project
Server Consolidation Update (SIS)
Data Center Operations
Email Consolidation Update- local government services

“Roundtable Discussion”

Discuss any topic, situation, or problem with your peers. Moderated by **Joe Sommers**.
